

**MIT Libraries Web Usability  
Test B**

- 1.** Which page allows you to request a book from a non-MIT library?
- 2.** Find a page that contains links to housing statistics.
- 3.** Where can you ask a reference question through the Libraries' web pages?
- 4.** Find a page that links to our online catalog.

- 5.** Which librarian would you seek out if you had a chemistry question?
  
- 6.** For how long may music CD's be borrowed?
  
- 7.** Where is there a list of research databases we have available sorted by subject?
  
- 8.** What are the terms and licensing restrictions on the use of the Lexis/Nexis database?
